### Classes are geared towards all fitness levels

**Cardio Combo:** This is a great cardiovascular workout that is sure to keep you motivated and having fun by combining kickboxing, step, floor aerobics, and a variety of other cardiovascular activities.

**Cardio Kickboxing:** This is a great total body workout that will help relieve stress while getting your whole body into shape. Kick, punch, and box your way to a healthier body and have fun doing it.

**Yoga:** Through proper breathing techniques, energizing postures, and muscle movements you are sure to build muscles strength and flexibility. A great way to awaken your senses and at the same time relax the mind.

**Trim-N-Tone:** This class is a great combination of cardiovascular and total body strength conditioning. A perfect workout to keep your heart rate up while toning and strengthening your muscles.

**Beginner Pilates:** Do you want core strength? Then this is the class for you! A fresh approach towards strengthening core muscles, developing flexibility, and energizing your body. You will be pleased to feel and see your body transform.

**Pilates/Yoga:** Come for this great combination of Pilates and Yoga geared towards improving strength, flexibility, and body awareness. You will feel refreshed after each class.

**Step:** A great cardiovascular and strength training workout using a step for total body conditioning. This fun upbeat class will keep you motivated and is perfect for any stepper.

Please refrain from wearing street shoes in the studio.
